	Sundry Equipment	
	USB Graphics Tablet The Ultimate mouse replacement – Acecat Flair is a cordless, pressure sensitive pen and tablet. It works more efficiently than a mouse. You can customise pen buttons to any mouse button. Pen can be used to draw or trace freehand. Windows or Mac compatible. Resource Book and CD	**£29.75** **£12.75**
	4 Port USB 2.0 Hub Connects to your USB port on your laptop or desktop to provide 4 further USB Ports. Backwards compatible with USB 1.1. Over-current protection. Supports Win 98SE/2000/ME/XP & Mac OS X. Comes with a-b USB Lead, AC adaptor and user guide.	**£19.50**
	Headphones Robust large black headphones which can be connected to the PC and which have a coiled wire so there will be less trailing wires around your PC. They are ideal for children in all key stages.	**£6.99** **splitter £1.99**
	Gyration Ultra 8 metre Radio Keyboard and Mouse Has a plug in (USB) and play straightaway pickup unit for the computer. Good for projected images. Light and compact and mouse steady and accurate. Mouse movement is in 'space' in a 3D fashion.	**£77.50**
	Memory Stick/Pen Drive Portable hard disk / memory 'pen' with a built in USB Connector. Looks like a small pen. Transferring files is as simple as plugging in the device into the first computer and saving files to the drive. Remove the 'pen' and plug into the other PC. Open up the drive in My Computer and copy or run the files. *If your operating system is Windows 98 or previous please mark this on your order so we can request the driver software to be sent with the memory stick*	128MB **£16.35** 256MB **£28.00**

	Mini Clicker Optical Mouse Designed to fit perfectly in a small child's hand. Works on most surfaces without the need for a mat. Little maintenance needed unlike traditional mice where balls get dirty or go missing. (Approx base size 50mm x 90mm).	**£11.99**
